The above referenced case is before this court upon the magistrate judge's recommendation finding the defendant in default, awarding the plaintiff judgment in the amount of \$10,979.20 and permanently enjoining the defendant from committing or assisting in the commission of any violation of 18 U.S.C. § 2511 and § 2520.

This Court is charged with conducting a de novo review of any portion of the magistrate judge's report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636(b)(1). However, absent prompt objection by a dissatisfied party, it appears that Congress did not intend for the district court to review the factual and legal conclusions of the magistrate judge. Thomas v Arn, 474 U.S. 140 (1985). Additionally, any party who fails to file timely, written objections to the magistrate judge's report pursuant to 28 U.S.C. § 636(b)(1) waives the right to raise those objections at the appellate court level. United States v. Schronce, 727 F.2d 91 (4th Cir. 1984), cert. denied, 467 U.S. 1208 (1984). An objection was filed on April 27, 2005, by the defendant .

A de novo review of the record indicates that the magistrate judge's report accurately summarizes this case and the applicable law. Accordingly, the magistrate judge's report and

recommendation is **affirmed**, and pursuant to Rule 54(b) of the Federal Rules of Civil Procedure the court finds the defendant Joyce Watson in default. The plaintiff is awarded judgment in the amount of \$10,979.20 and the defendant is permanently enjoined from committing or assisting in the commission of any violation of 18 U.S.C. § 2511 and § 2520.

AND IT IS SO ORDERED.
